Experience

Data Entry Clerk

DigiTexx – Berlin, Germany (Aug. 2025 – Present)

Captured and processed insurance data; responsible for training and onboarding new employees.

Set Prop Assistant

UFA Lenßen Hilft – Berlin, Germany (Sept. 2024 – Dec. 2024)

Responsible for sourcing, organizing, and providing props. Ensured accurate prop placement and a smooth workflow on set. Collaborated closely with the directing team and crew to execute the creative vision.

Camera Assistant

ISFF – Berlin, Germany (July 2021 – Feb. 2024)

Supported film productions through technical expertise and organizational skills. Responsible for the preparation and maintenance of camera equipment, as well as pulling focus. Contributed to process optimization and team synergy.

Web Design

Freelance – Bremen/Berlin, Germany (Nov. 2019 – Present)

Created tailored portfolio websites for artists based on individual requirements. Provided consulting on design, functionality, and responsiveness to ensure an optimal user experience. Managed the technical implementation and maintenance of web projects. Utilized Content Management Systems (e.g. WordPress) or direct code development (HTML, CSS, JavaScript)

System Administrator

Naturkost Kontor – Bremen, Germany (June 2018 – Nov. 2019)

Developed and implemented structured IT documentation to increase efficiency. Significantly improved performance in troubleshooting and support tasks. Standardized operational procedures and facilitated the onboarding of new team members.
